### A Note From Your Experience Designer

Hey Fellow Travelers,

Welcome to the very first edition of the Getaway With Joy Insider—where travel becomes something deeper than a trip...it becomes an experience you feel long after you return home.

I'm so glad you're here—whether you've traveled with me before or you're just discovering this community. This space is where I will share inspiration, updates and curated glimpses into the world of intentional, joy-filled travel.

Let's step into what's new.

Getaway With Joy is stepping into a new season—one shaped by elegance, intention, and a touch of wonder.

If we haven't met yet, I'm Karen, your travel consultant and experience designer. I don't just plan trips—I create immersive journeys where every detail is thoughtfully curated, so you feel cared for from the moment you say "yes" to adventure.

And I live these experiences right alongside you.

I welcomed 2026 in Bangkok with a group of nine incredible women—a powerful reminder of why I do this work. From there, I continued on to Singapore and Bali, and those moments of connection, discovery and joy have deeply inspired everything I'm building for you this year.

Behind the scenes, I've been refining itineraries, elevating the brand, and adding thoughtful touches to make every journey feel seamless, meaningful and unforgettable.

A quick update for our upcoming journeys:

[A Journey of Wonders](#), a soul-stirring exploration of ancient history, culture and connection. This signature experience has traditionally included an optional Dubai extension—a stunning contrast of modern luxury to Egypt's timeless beauty. Due to the ongoing conflict in the region, the Dubai portion is currently paused. Your safety will always come first, and it will return when the time is right.

But Egypt itself? Very much ON—and as magical as ever. If it's been whispering your name, consider this your sign.

[The Serengeti Sunsets & Tanzania Shores](#) (Tanzania & Zanzibar)

We are officially accepting deposits for this breathtaking journey—where safari adventure meets coastal serenity.

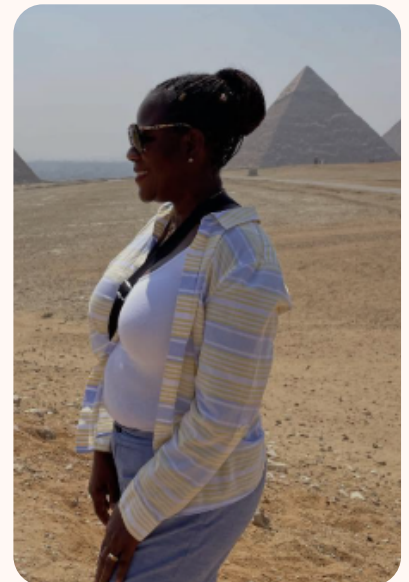

And this is just the beginning.

Upcoming experiences will take us across Europe, North Africa, and Asia—with destinations like Croatia, Morocco, Japan and more—each designed with its own unique rhythm, beauty and sense of wonder.

As always, these journeys are intentionally curated and offer an intimate group setting to ensure a meaningful and elevated experience for every traveler. If one of these journeys is calling you, I invite you to take the next step. Simply reply to this email or reach out to schedule a complimentary consultation. I would love to share these experiences with you.

As we move through this season of exploration, I hope you feel inspired, connected and excited for what's ahead. The world is full of beauty waiting to be experienced, and I'm so excited for everything that's coming next—your next adventure is closer than you think.
